## MESSAGE FROM THE DESK OF DIRECTOR

Dear Students,

“मेहनत ही मंत्र है, IIT Circle ही केंद्र है।”

As you embark on your journey toward engineering and medical excellence, I extend my warm greetings and best wishes. The path you have chosen is one of dedication, discipline, and discovery. It is not merely about cracking an exam — it is about shaping your intellect, refining your character, and preparing yourself to contribute meaningfully to society.

At IIT Circle, we firmly believe that every student has the potential to achieve greatness when guided with the right direction and motivation. Our mission is to provide a scientific, concept-driven, and student-centered learning environment that bridges the gap between aspiration and achievement. We nurture not just toppers, but curious thinkers, innovators, and future leaders who will drive change in science, technology, and medicine.

Through our expert faculty, personalized mentoring, and a culture of perseverance, IIT Circle empowers students to think beyond rote learning — to understand, apply, and innovate. We take pride in being a trusted companion in your journey, helping you transform challenges into stepping stones of success.

Remember, success is not a destination but a continuous pursuit. With clarity of purpose, consistency in effort, and confidence in yourself, no goal is beyond reach.

Stay inspired, stay focused, and let every day bring you one step closer to your dream. JOIN IIT Circle — जहाँ लक्ष्य नहीं, विरासत गढ़ी जाती है।

With warm regards and unwavering faith in your potential,

**Shri Subodh Shingre**  
Director, IIT Circle (Vasai)

**Prof Abhishek Singh**  
Director, IIT Circle (Vasai)

## JEE MAIN VS JEE ADVANCED VS NEET VS MHT-CET EXAM DETAILS

| Category            | JEE Main                            | JEE Advanced                            | NEET (UG)                   | MHT-CET                             |

# Batches at IIT CIRCLE

## JEENIUS Batch

(JEE Mains & Advanced, MH-CET)

- Two years batch for JEE Mains & JEE-ADV
- Maximum 30 students per batch
- Every day 4 hours lecture and 2 hours of working session
- Weekly & Monthly test
- Monthly Parents meeting
- Specialised materials with experts' inputs
- Focus on each student
- BEST FACULTY AND BEST FACILITY
- Separate batch for MH-CET

## AIIMERS (Medical) Batch

- Two years medical classroom programme
- Maximum 30–35 students per batch
- Every day 4 hours lecture and 2 hours of working session
- Weekly & Monthly test
- Monthly Parents meeting
- Specialised materials with experts' inputs
- Focus on each student
- Experienced faculty

# What Our Students Say...

**Harsh Pal** Student

IIT CIRCLE is the perfect coaching institute for students. Not only students even teachers do hardwork to help students achieve success. Motivational lectures given by Digvijay sir are outstanding, it's the best institute I have ever come across.

**Abhishek Mishra** Student

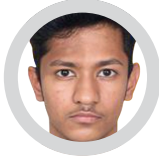

Outstanding IIT Circle experience! Boosted my confidence, helped with doubts, and led me to clear NEET 2023! Thanks, Digvijay sir & the IIT Circle team!

**Prutha Pawar** Student

NEET 631 marks & MBBS in Govt. Medical College, Mumbai! IIT Circle & Digvijay Sir's guidance made all the difference! Expert faculty, quality material, mock tests, & support helped me excel. Highly recommend for NEET aspirants!

**Murtuza Sheikh** Student

JEE preparation was a rollercoaster ride. There were days when I felt like giving up, but consistency was the key. Solving mock tests regularly and analyzing my mistakes helped me improve drastically. Finally, when I saw my results, I knew all those sleepless nights were worth it!

**Gauri Bhosle** Student

The CET journey was test of perseverance and discipline. Through countless hours of study and practice, I developed a deep understanding of concepts and improved my time management skills. The experience has shaped me into a more focused and determined individual.

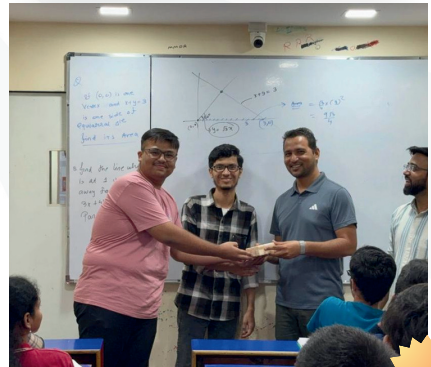

**Stenson Kurian** Student

Preparing for the CET was a challenging yet rewarding journey. With dedication and the right guidance, I was able to improve my problem - solving skills and time management. The experience has not only helped me secure a good rank but has also prepared me for future academic challenges.
